Men never keep me waiting. Like, look at me. Would you wait if I was standing there with my boobs out and a willingness to fuck you. Think about it, my full lips wrapped around your cock, licking the head, then licking your balls.

Then I'd bend over in front of you so you could get a good look at my wet honey pot and then you'd slide your tongue in and taste me. Then I'd tell you to get that big, hard cock ready to fuck me, and you'd say it was ready. Next thing we knew it was morning.

My man can pretty much tell how my day went by the way I fuck him. If I've had an easy, low stress day, I'm kind of a soft kitten that just wants to be cuddled and made love to in bed. But if I've had a hectic day, sometimes a good, hard, fast fuck is what I need to settle me down and put me in a better mood. Either way, I say, 'Let's fuck!'

B04-BLAIR

me so horny
they so horny, too

I feel so horny all the time. Does that make me a nymphomaniac?" Yvonne asks. "Not really," counters her drinking buddy, Carole. "Because I feel that way all the time, too," she adds. "Fortunately for me, I've got Trevor for my booty calls day or night. He's very adventurous and accommodating with me. I love to experiment and he goes right along," Carole says, as she sips her mocha latte. Carole has an arrangement with this lover which allows her fantasies to be explored and enacted, some of her most extreme desires to be expressed and satisfied. So she tells Yvonne how the two of them enjoyed their lustful liaisons, those liaisons sometimes include others. This certainly piqued Yvonne's interest.

"I have this thing for pretty cocks. They have to be straight and long. And they have to stay hard for a long, long time," Yvonne says. "What's Trevor's like?"

Carole pulls out her iPhone and scrolls through the pictures stopping at the full torso shot of a guy with a long hard dick in profile. "That's Trevor's," Carole boasts. She flicks the screen and more shots of his cock appear. One has a woman's hand around it. "That's my hand around it, just to show you how long it is," Carole says. One more flick and a shot of Carole's mouth around the cock head appears and she explains how many shots she had to take with the iPhone camera to get that one just right. Carole laughs out loud and winks at Yvonne whose eyes are wide open and her jaw dropped as she gazed at the pics.

"It's one absolutely delicious cock," Carole says, and with a sly smile adds, "but it's even tastier when it's deep inside my pussy." Carole thinks for a minute and adds "No it's better when it's in my ass!" she says.

"In your ass?" Yvonne asks. "That's delicious, lady, I so dig that too, There's just something about that stick of man-meat inside my butt that makes me melt," Yvonne says looking up from the photos. Putting both hands around her drink, Yvonne looks directly into Carole's eyes and says "Another thing I love is pussy!"

"Oh, you're bad, and a mind reader. I do too. Men are nice and they have their place, but a nice, soft wet pussy is something I can get lost in for hours, baby," Carole says. Realizing that a rare moment has happened, they stare at each other and then both break out into an easiness that they were able to discuss these secret thoughts. Lunch time was over and they headed back to the office. "I'll call you later," they said at the same time.

That night the two talked setting the wheels in motion to exploit their plaything. Details were discussed and plans were made. The most difficult decision was to tell Trevor or not. They decided, not! A few nights later Yvonne's at Carole's house. Carole had Yvonne arrive first so they could share a glass of wine or two before he came.

There's a knock at the door. Both ladies go to answer it. Standing there is Trevor. Immedi

If any of you guys have never been in a three way with two chicks, you just gotta find a way to do it. Maybe even at the risk of losing your mate, it can be that fuckin' good!

Carole steps back and pulls down his shorts exposing his cock completely to Yvonne. Now standing stark naked in front of Yvonne, he grabs his cock and gives a few deft strokes while looking Yvonne right in her eyes.

ately his eyes meet Yvonne's and she smiles back extending her hand, "Hi. I'm Yvonne." she says. "Pleasure to meet you. I've heard a lot about you." he said. Trevor and Yvonne seemed quite pleased to finally lay eyes on one another. Trevor was wearing board shorts and a white tank top. Not really a surfer kind of guy, he still likes to wear

clothes to show off his body. Trevor enters the house. He is taller than his picture seems to show, and much better built. His face is handsome, but not a pretty-boy. His hands and feet are large, something not lost on Yvonne.

Carole invites everyone to the kitchen for drinks. Leaning on the counter, Carole says that she showed Yvonne his photos on her iPhone. Trevor blushes and is a little taken aback by Carole's comment. She goes over to him and rubs his arm, saying 'that's alright.' He looks at her and smiles. She backs off a little and reaches for his drawstring looking at Yvonne saying, "Want to see it live?" She rubs the front of his shorts, squeezing his cock so that when she slips a hand under the elastic of his shorts, she finds it large and hard.

Fondling him in his shorts, she pulls them down with her other hand and pulls his cock out as Yvonne watches. She looks at Yvonne, teasing her with her eyes while stroking Trevor's cock. Yvonne takes in the sight with eyes focused on every detail of his cock. Then Carole bends down and takes his cock into her mouth. As she sucked and stroked the shaft in her hand, Carole motions to Trevor to take his shirt off. He obliges by pulling the top over his head, exposing just the right amount of hair and well-formed pecs. Carole steps back and pulls down his shorts exposing his cock completely to Yvonne. Now standing stark naked in front of Yvonne, he grabs his cock and gives a few deft strokes while looking Yvonne right in her eyes.

Carole strips herself naked closely watching Yvonne's and Trevor's interplay. Carole was going to help Yvonne undress but, before she did, she couldn't help doing something, something she always craved. So she dropped to her knees behind Trevor, took hold of his trim, firm buttocks, spread them wide open and pressed her face between them, lapping hungrily at his asshole. Yvonne comes over to Trevor and takes his cock in her hands. She looks at him directly and strokes his cock, licking her lips as if to tell him what's going to cum later. Carole stands up and pushes Trevor as Yvonne pulls him by the cock into the living room.

Yvonne sits on the couch, putting her face right at Trevor cock height. She replaces her hands with her mouth and slowly begins to caress his cock with her lips. Now Carole sat on the couch next to Yvonne, the two women gazing at each other as Yvonne kept up the blow job, and Carole began to unbutton her blouse. Carole brings her face close as Yvonne, reading the signal, releases Trevor's cock from her lips and lets Carole have herself a nibble. But Carole had other things in mind as she now urges Yvonne to resume sucking, systematically disrobing Yvonne as she continued fellating Trevor. Off came the blouse, the skirt, and the rest leaving the three of them utterly and totally naked.

Now Carole wanted to have she and Trevor perform for Yvonne's viewing pleasure. When they lunched, Yvonne had been deeply intrigued to hear how much Carole enjoyed taking it up the ass, and when Carole had mentioned to her that perhaps she'd like to come by sometime and watch she and Trevor do the dirty, Yvonne, with a glint in her eye, said teasingly that she'd love that, especially if Yvonne could watch the anal antics. Carole got up on the couch on her knees and stuck out her ass provocatively, stuck out it out nice and high knowing that would separate her cheeks enough to make her asshole visible to the two. She knew how desperately Trevor lusted for that puckered little hole every time he laid his eyes on it. Carole brought her two hands back to hold her buttocks wide open. Looking over her shoulder, Carole could see Trevor pushing gently on the back of Yvonne's head towards Carole's totally exposed bottom.

Yvonne complied, grabbing Carole's ass cheeks, caressing and then massaging them as she teased the other woman, playfully blowing air right on her vividly exposed asshole, the effect on Carole to make her long desperately for

the feel of Yvonne's tongue, anyone's tongue! Then she felt that tongue and, as always, the sensation was sublime. For some women their assholes were tempting but forbidden entryways to be denied their men, or were offered up, often reluctantly, as a special treat to please them. But for Carole her asshole was like another pussy, it was one the major destinations of her erotic topography. She knew she had the potential for enjoying sensual pleasure down there. But it was Trevor who really opened her up to the thrills and the joys of anal sex.

Trevor watched Yvonne tongue Carole's bottom, her eyes sparkling with lust as she glanced over at Trevor, lewdly flickering the tip of her tongue over Carole's asshole. Carole groaned as she felt the two tongues work away at her, Yvonne's making it down to her clit, teasing her with a few quick flickers of the tip of her tongue over that hard little nub. But Yvonne knew there would be plenty of time to attend to that little pearl of Carole's. This was just a quick tease. And so now she dragged her tongue upwards again as Trevor pulled away and Yvonne resumed licking Carole's asshole. They took turns now, Trevor and Yvonne, lapping away at Carole's ass like two famished gluttons, first just licking, then, Yvonne following Trevor's lead, forcing their tongues up into her anal passage.

Trevor told Yvonne to stick a finger inside her butt hole, pulling back his tongue and replacing it with a finger, which she slowly dug into Carole's anus, Carole moaning as she felt the stiff digit slide into her bottom. Carole craved the finger probing her bottom, digging in deep, and loved hearing Yvonne being so expressive. Now Trevor slid in a finger of his own, alongside Yvonne's, Carole's asshole well prepped for such probing after all the lavish licking. Carole often had two or more fingers wedged up her ass hole, but they usually belonged to one hand, Trevor's.

Trevor reached over to the side table and grabbed a jar, unscrewed the top. He told Yvonne to dip a finger or two and 'to grease her up.' That sent a chill through Carole whenever she heard Trevor use the word 'grease.' Somehow it sounded especially obscene, knowing that the greasing he referred to was of her ass, and that it was to be done for a purpose, for the fucking of that ass.

Yvonne, smiling a little wickedly, pulled her finger out of Carole and reached to scoop up a big dab of the grease, slapping it between Carole's cheeks. She slowly and teasingly spread the slick lube all over Carole's anus, then working plenty more in with a couple of stiff fingers. She turns to Trevor and spreads more on his readily stiff cock, prepping them both.

Trevor positions himself behind Carole and pushes his cock into her ass with Yvonne guiding it to the spot. He forces an inch or two at the start and then goes deeper and deeper. Yvonne realizes her fingers are well greased and surprisingly sticks one into Trevor's butt. He lurches forward thrusting his long hard cock deeper into Carole's ass, then pushes back out so her finger can go in even deeper.

Trevor motions Yvonne from behind him and tells her to kneel on the sofa beside Carole which she does, releasing her finger from his ass. With his cock still deep in Carole's ass, he returns the anal finger-fuck sticking a well-lubed finger into Yvonne's ass. After several more thrusts he pulls Yvonne's hips next to Carole's and replaces his finger with his cock. Now Yvonne can enjoy what she has fantasized about a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket. Carole turns over to lay under Yvonne and begins to lick her pussy holding her ass cheeks apart for Trevor's thrusts.

All of a sudden there are police sirens coming down the street and I have to quickly get away from the window because I don't want to get caught. I'll try to come back later to tell you how it ends.

Now Yvonne can enjoy what she has fantasized about a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket.

Like many women, I had always wanted to try sex with two guys. It was a fantasy of mine a few years ago, and now it's become a reality. I want to feel one in my mouth while my pussy gets fucked by the other. And then to have both my ass and pussy fucked. Wow!

VIXEN
& GUYS

I hope you enjoyed looking at these photos and watching my video. I had the time of my life and I think my pussy and ass are still smoking from all the poundings they received. I'll take a break for a day and then get ready for some other guys cumming over this weekend.

winter flames

turn a cold New England
winter hot with their pussies

It was a typical New England winter. You couldn't see the ground for months, and the snow kept falling, melting, and then icing over the roads. The weather didn't affect my work as a freelance writer, but the grey air did affect my emotions. My introverted nature became even more so, and soon I rarely left the computer except to buy some groceries at a small convenience store near my home.

The only person I spoke with on a regular basis was the local convenience store manager. Felicia was an attractive woman in her late thirties, about 10 years older than I was. Though a native New Englander, she didn't fit the stereotyped mold of being reserved. Instead, her warm personality charmed every customer, including me.

I found myself drawn to her bright smile and clear blue eyes, her medium-length blonde hair, and especially her well-muscled but curvaceous body. As my interest in her grew, I started going to the store every day to pick up an item or two, just so I could see her again and breathe in the vanilla musk she perfumed herself with. Whenever I could, I'd ask for help finding things in order to brush up against her body.

I had no way of knowing if she shared my interest in women, so I was careful to keep my attentions from becoming too blatant. Then, one day, while I was standing at the magazine rack, surreptitiously watching and fantasizing about her, she caught my eye and headed over to me with a determined look on her face. Had she finally figured out why I was always in her store? Was she offended? Would she demand that I never come back? Droplets of sweat that felt

as cold as the ground outside sprang up on the back of my neck.

Instead, she placed her hands on her succulently curved hips and broke into a wide, knowing smile. "You know, Ivy, you can't go on living on this convenience-store junk food all winter. You need a good, home-cooked meal for a change. Why don't you let me fix supper for you tonight?"

That tongue of hers twisted inside me in the shape of a whirlpool...

I was so astonished that I could hardly form the words to answer. "Um... sure," I stammered, while she grinned and wrote out the directions to her place.

The meal she prepared for me that evening was nothing less than a gourmet feast, though I was almost too tongue-tied to enjoy most of it. But I did feel encouraged when, after we'd cleared away the plates, she invited me onto the sofa for coffee and flipped on her CD player. The mellow voice of k.d. lang filled the room. When I looked up at Felicia, her face was aglow with desire.

"Just thought I'd set the proper mood," she whispered, then settled down on the sofa and leaned forward to embrace me. I buried my face in her ample breasts as she kissed my brown curls and stroked my back. "You don't know how much I've wanted you all these months. Why do you make it so hard to get near you?"

My lips ravished her stiff nipples...

I had no way of knowing if she shared my interest in women, so I was careful to keep my attentions from becoming too blatant. Then, one day, while I was standing at the magazine rack, surreptitiously watching and fantasizing about her, she caught my eye...

BLAIR-NTS-05

I was still trying to come up with a sensible answer when Felicia's sensual mouth came down hard on my own. I felt my whole body dissolve into her tight grasp, my mouth melting around her probing tongue. When I finally came up for breath, Felicia's mouth looked swollen and red, reminding me of my aching pussy-lips.

Intense lust enveloped me, and I kissed her again. This time, though, my hand went under her fuzzy sweater to her slim waist. With a slow-moving caress, I stroked my way up to the breasts I'd been salivating over for so long, undoing her bra. Her heavy globes fell into my grasp, and her lips went to the nape of my neck. She flicked her tongue over the tiny hairs, sending quivers through my sweating limbs. My pussy raced with excitement.

From the rapid pace of Felicia's breathing, I knew she was having the same lusty reaction. She nibbled my earlobe as she reached both her sweaty hands under my sweater, groping my tits through my bra. She seemed so excited, in fact, that she had trouble unhooking it, and her nervousness turned into frustration.

With her tense fingers pressed against my back, she whispered, "Come with me. I need you so much."

Felicia then took me to her beautifully decorated bedroom and again covered my mouth with hers. Instantly, we were on her feather bed practically ripping each other's clothes off, releasing all the repressed lust that we'd each bottled up these past few months. For the first time, my eyes took in every inch of her luscious, creamy body. Felicia's long legs seemed to go on forever, and the generous mountains on her chest were topped with delicious, erect peaks that invited me to climb their pink perfection. Her sculpted waist led to a semi-shaved blonde valley that was already damp with desire. My mouth salivated in anticipation from just looking at her.

We rubbed our naked bodies together like two sticks ready to spark into one blaze. Without hesitation, I latched my lusty mouth onto her lovely areola and sucked and licked her ardently. Then my lips ravished her stiff nipples. She tasted like vanilla and woman, all warmed together in my mouth. Felicia groaned and pushed her chest harder into my face.

I drew a figure eight with my tongue from breast to breast, then down her belly. Her hands gripped my tits and her thumbs thwacked my erect nipples as her tongue flicked them, thrilling me with pleasure. We both instinctively knew what pleased and delighted each other. With even more passion, she started to suck on them.

As my pussy swelled with lust, I looked back to get a glimpse of her face. She looked incredibly lovely at that moment, with her long hair draped over my sprawling limbs, her red mouth sucking my nipples harder. I stroked the silky strands on her head with one hand and fondled the hot coils of her bush with my other hand. Her tits were bobbing from side to side in rhythm with her orgasmic rocking as my fingers sa-shayed over her clit. Her pussy-lips were as silky as her hairs, and my fingers tingled with new sensations.

The passionate woman in my arms seethed with tangible excitement. With only one purpose in mind, I kept licking my way across her torso and across her abs, never letting go of her wonderful tits. After that, she lost control, making tantalizing bites along my taut belly. Felicia inched in the direction of my moist pussy hair, nuzzling the hairs with her tongue, stoking the fires of my burning lust. She pulled on them gently with her white teeth, teasing me endlessly.

At this point we were in a 69 position but with a twist: I lifted my body and strategically placed myself so that my clit was on top of her hard right nipple. My pelvis rotated atop her sensitive nub. I stroked it gently at first and then more roughly. I put my hands on her inner thighs while I continued teasing her nipple with my clit.

My clit was on top of her hard right nipple...

Intensifying the nipple massage, I fondled her leg all the way to her drooling pussy and started to play with her outer lips. Her moist pussy-hairs stuck to my sweaty fingers as I petted her. With concentrated and continual strokes, my hand put more and more pressure on her clit. Before long, my match-like fingers kindled her palpitating wick.

We rubbed our naked bodies together like two sticks ready to spark into one blaze. Without hesitation, I latched my lusty mouth onto her lovely areola and sucked and licked her ardently.

Suddenly, she ignited, squirming and rolling like she was possessed, and I can promise you at that moment she was possessed. . . by me and only me! I felt so powerful making this woman, who had been a distant fantasy only hours before, more turned on than I had even imagined. Felicia smoldered like a bonfire from the simultaneous nipple-pussy attention, lifting her tit to my groin with higher and hotter bursts of passion.

Soon after that, she propped her head up with a few fluffy pillows, which made her appear as if she were resting on the piles of snow just outside her window. Felicia melted into position to guzzle the juices that began to boil from my lust. Once she had hoisted her head, her mouth touched me and nuzzled my aching pussy. With the feel of her soft, full lips whisking over my slit, I felt my own emotions go over the edge, and my clit rubbed her nipple much harder. My short fuse sizzled with an impending detonation. It circled and pressed, chafing against Felicia's nipple with more zeal.

Finally, I put my tongue to work on her clit and entered her with two fingers thrusting inside her as far as I could reach. She thrust her hips up to meet my fingers like they were a thick dildo. As she began to get closer, her licking became more intense, and she entered me with her tongue. I swerved back and forth in quick, sharp motions to the rhythm of Felicia's tongue-fucks. I thought I would explode as I smashed my clit onto her even harder.

With every thrust of her long tongue, I hammered back with my slim but energetic hips, forcing her so much deeper inside me. As I pushed, I made quick circular motions. Felicia's nose rubbed against my clit; her tongue explored my every sensitive fold, all the while drinking in my constantly flowing extracts. That tongue of hers twisted inside me in the shape of a whirlpool.

She sapped all of me with her insatiable mouth. Then Felicia grabbed my ass hard and dived in even farther, with quicker, much stronger plunges. Her whole face dripped with my desire. By then, we were both there. Blazes shot through my pussy and through my whole body. I writhed and moaned, twisting my head back and forth across her legs. Fire erupted in my entire system, and I became engulfed in the flames, calling out Felicia's name over and over again as my clit scraped against her nipple.

Felicia blew her fuse too. Her hips smashed into my face, and her stony clit wrestled with

my tongue. She clasped my head and hair, moaning, "Harder, Ivy. Do me harder, baby. Yes, I'm there. Ohhhhh, yes!"

Together we both blasted off, bucking and almost flying off the bed as our legs spasmed and our feet tingled. Felicia was never more beautiful to me than at that moment. My face and hers embedded in pussy, unabashedly lap-

ping, juicing, guzzling. Every drop of moisture evaporated from our feverish tongue-fucks.

In a frenzy, she left a trail of hickeys along my inner thigh, sending me through another whirlwind of orgasms. The more I wrenched my body, the harder she fucked me with those incessant fingers of hers, hitting my G-spot so many times that I thought my own climaxes would never stop. My clit flared from the friction as I moved over her with rapid fire. Felicia went at me with even more strength until we both had exhausted every last spark.

Her soft, full lips whisked over my slit...

For a second neither of us could move. As I caught my breath, I gently moved off her and turned around so I shared the pillows with her. At last, we lay back out of breath but still wanting more, if that were physically possible. Felicia looked at me adoringly, making subtle scratches along my ribs.

I supposed her admiration stemmed from my stamina for sex as well as my deep feelings for her. At that point, I wasn't sure which made more of an impression on her, and I supposed the two motivations were interwoven together inextricably. For Felicia and me it would be a hot winter in cold New England.

Fire erupted in my entire system, and I became engulfed in the flames, calling out Felicia's name over and over again as my clit scraped against her nipple.

DRUUNA & TREVOR

It's been two weeks since my 40th birthday and I'm still waiting for my present. I can be very affectionate to a man that gives me a little something for my attention and affection. I don't really want much, just a little bangle to show your appreciation.

A woman with dark hair and red lipstick is lying on a tan massage table. She is holding a man's leg with both hands, her mouth open as if in pain or pleasure. The man's leg is the central focus, showing some redness and bruising. A green plant is visible in the background.

Trevor brought me a nice little thing this morning and just look at what I'm doing for him. Yes, it is something special because all the sex I give is something special. I can be yours, too, taking that last load right into my big, beautiful, waiting mouth. Yummy.

KATHY & GEORGE

Ms. Anderson is so excited today about her corporate merger going through that she calls in an employee. Their kiss turns into something more and she ends up fucking her employee right there in the office. What a way to celebrate.

Her marvelous office fuck soon turns into a sweaty anal fuckfest. Taking a huge dick up her ass is her way of offering a raise. But now, with the company merger, her butthole may be off limits to employees because there are now new corporate officers that may need her services.
